GLEN VAN HOOFF

Full-Stack .NET Developer

// ABOUT ME

I'm an analytical and enthusiastic .NET developer in training, building on a science background with a pharmacy degree from the University of Antwerp. I enjoy understanding systems, solving problems, and improving my skills every day. Known for my positive attitude and eagerness to learn, I bring reliability and teamwork to everything I do.

// EDUCATION

VDAB Genk
2025 - Now

Full-Stack .Net Developer

A deeply immersive .NET course designed to build solid skills through steady, hands-on learning.

University of Antwerp
2010 - 2017
